Bulletin no 2

We are proud to announce that preparations of the 30th Open European Championships Kyokushin which will be held at the Dutch National Sportcentre Papendal are going very well.

At this moment we have almost 400 participants in different categories in kata and kumite from more than 20 countries all over the world. Besides the participants we expect more than a hundred coaches, referees and other officials to attend this memorable tournament.

This championship is the start of an important Kyokushin year in the Netherlands. This will culminate next year in the 50th(!) International Kyokushin Summerschool Papendal: the oldest and most famous Kyokushin Summerschool in the world lead by Shihan Loek Hollander 9th dan.

With this bulletin we provide you with the necessary tournament information. If you have any questions left please contact the Dutch organization committee at info@goukendojo.nl.

Registration

With bulletin no 1 we invited you to take part in the 30th Open European Championship Kyokushin. We gave you all the information you needed to subscribe to this great event.
